Subject: Additional Information on Claims Payment and Electronic Claims Submission to Availity

Summary: While Change Healthcare continues to address their network interruption related to a cyber security incident, continues to address their network interruption related to a security incident. Below are updates for our systems and processes:

- 1. Claims payments:** We have resumed payments for claims submitted prior to the incident. Since Change Healthcare is still unable to accept claims submissions, providers who submitted claims during the outage may be able to resubmit them either through Availity and PCH Global, or once Change Healthcare's connectivity is restored, through Change Healthcare. We appreciate the inconvenience this is causing.
- 2. Electronic claims submission:** We have established a connection with Availity to receive electronic claims. In order to submit electronic claims to our plan you must register with Availity.
 - If you or your clearinghouse do not currently use Availity to submit claims, register at: <https://www.availity.com/Essentials-Portal-Registration>.
 - You will find registration options for Healthcare and Atypical Provider, so please choose the one that aligns with your business.
 - Availity is waving registration fees for our providers.
 - The First Choice VIP Care and First Choice VIP Care Plus payer IDs for claim submissions have not changed.
 - If you are currently registered with Availity for another payor, or if you use another clearinghouse, **you must request that they route your electronic claims for First Choice VIP Care and First Choice VIP Care Plus to Availity.**
