

## Behavioral Health Outpatient Treatment Request Form

When complete, please fax to **1-844-211-0972**.

## Please type or print clearly. Incomplete and illegible forms will delay processing.

Prior authorization is required for outpatient services. For psychological and neurological testing, please submit the Testing Outpatient Request Form.

Electroconvulsive therapy (ECT) services must have prior authorization by telephonic review. Please call 1-888-978-0151.

Out-of-network providers: Prior authorization and a non-contracted provider form are required for all services.
