B. Background Information about First Choice VIP Care's Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, drugs, equipment, and other services.
 - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a practitioner, like a doctor who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.

If you have questions, please call First Choice VIP Care at **1-888-996-0499 (TTY 711)**, Monday through Friday, 8 a.m. – 8 p.m., from April 1 to September 30; or seven days a week, 8 a.m. – 8 p.m., from October 1 to March 31. The call is free. For more information, visit www.firstchoicevipcare.com.

- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **prior authorization** for a specialist or someone that isn't your PCP. A **prior authorization** is different than a referral. It means that **First Choice VIP Care** (not your network PCP or Care Team) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get prior authorization, First Choice VIP Care may not cover the service, item, or drug.
 - Referrals or prior authorization **aren't** needed for:
 - emergency care;
 - urgently needed care;
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
 - services from a women's health specialist.
 - physician specialist services, including chiropractic and podiatrist services.
 - Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
 - More information on referrals and prior authorization is available in **Chapter 3** of the Member Handbook.
- You'll also have a care team and an assigned care coordinator. Everyone on the care team, including the care coordinator works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care team may include:
 - A **Care Coordinator** that helps you manage your medical providers and services.
 - Your **Primary Care Provider**.

Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and long-term services and supports and community resources.

Your care plan includes:

- your health care goals, and the steps to help you reach them.
- Your personal healthcare preferences
- services and supports that fit your needs, your caregiver's needs (if you have one), and your care team's recommendations.
- specific problems or health concerns that you and your care team want to work on.
- clear goals for each problem, along with the treatments, services or resources to help.
- a plan to check in on your progress and make changes if needed.
- planning for care during times of change, like after a hospital stay.
- input from your doctors, caregiver and other providers.
- connections to community resources, such as food, utilities or support groups, if you need them.
- a timeline for getting the services you need.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year

Your Care Team will also help you find other providers of medical or behavioral health services if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

- We must provide you with access to primary care and behavioral health services within the following timeframes: immediately for urgently needed services or an emergency;
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

If you have questions, please call First Choice VIP Care at **1-888-996-0499 (TTY 711)**, Monday through Friday, 8 a.m. – 8 p.m., from April 1 to September 30; or seven days a week, 8 a.m. – 8 p.m., from October 1 to March 31. The call is free. For more information, visit www.firstchoicevipcare.com.

B3. How to choose a Primary Care Provider (PCP)

First you will need to choose a Primary Care Provider (PCP). You may be able to have a specialist act as your PCP, as long as they sign a PCP contract. If you see a cardiologist regularly, you may ask us to assign them as your PCP. This will allow us to assign them to you and pay your claims as a PCP. If you would like your specialist to act as your PCP, contact Member Services, at the number at the bottom of the page to make your request. You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in **Section C** and choose a provider:
 - that you use now, **or**
 - who has been recommended by someone you trust, **or**
 - whose offices are easy for you to get to.
 - If you want help in choosing a PCP, please call your care coordinator at 1-888-996-0499 (TTY 711), October 1 – March 31: 8 a.m. - 8 p.m., seven days a week: April 1 – September 30: 8 a.m. - 8 p.m., Monday through Friday the call is free. You can also call Member Services or visit our website using the information at the bottom of the page.
 - You may change your PCP for any reason, at any time. Also, it's possible that your PCP might leave our plan's network. We can help you find a new PCP if the one that you have now leaves our network. You will have to contact your Care Coordinator or Member Services to change your PCP. Please call Member Services at 1-888-996-0499 (TTY 711), October 1 – March 31: 8 a.m. - 8 p.m., seven days a week: April 1 – September 30: 8 a.m. - 8 p.m., Monday through Friday, or your Care Coordinator, Monday through Friday, 8 a.m. to 8 p.m. The call is free. For more information, visit www.firstchoicevipcare.com. The change will take effect immediately when we receive your request to change PCPs. If you don't choose a PCP in our network, First Choice VIP Care will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 1-888-996-0499 (TTY 711), October 1 – March 31: 8 a.m. - 8 p.m., seven days a week: April 1 – September 30: 8 a.m. - 8 p.m., Monday through Friday. The call is free. Or, visit www.firstchoicevipcare.com.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at 1-888-996-0499 (TTY 711) October 1 – March 31: 8 a.m. - 8 p.m., seven days a week: April 1 – September 30: 8 a.m. - 8 p.m., Monday through and ask **before** you get the service or care.

B4. How to access First Choice VIP Care's network providers

You must get all of your covered services from providers within our network. If you use providers who aren't in First Choice VIP Care's network (**without prior authorization**), **you may have to pay the bill.**

If you have questions, please call First Choice VIP Care at **1-888-996-0499 (TTY 711)**, Monday through Friday, 8 a.m. – 8 p.m., from April 1 to September 30; or seven days a week, 8 a.m. – 8 p.m., from October 1 to March 31. The call is free. For more information, visit www.firstchoicevipcare.com.

A **prior authorization** is an approval from First Choice VIP Care to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan for other non-emergency services if First Choice VIP Care gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider.
- First Choice VIP Care works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, First Choice VIP Care can help you. Talk to your care coordinator for assistance.

C. First Choice VIP Care's List of Network Providers

Providers are listed in alphabetical order by last name. You can also find the provider's name and the page where the provider's additional contact information is in the Index at the end of the Directory.
